Greater Geary Community Foundation

live here. give here.

Generosity is a Catalyst

It creates hope and possibility.
It embraces the needs of real people.
It celebrates our shared humanity.

So what does it take to give?
Compassion...Initiative...Purpose

To reach its full potential, Generosity also
needs Integrity and Guidance.

When people decide to give,
a community is strengthened.

It's truly as simple as that.

Why Partner with a Community Trust

THERE ARE MANY REASONS people choose to give through the Greater Geary Community Foundation

- We are a LOCAL organization led by a board composed of community leaders. Our board members have the expertise to address community issues and evaluate local nonprofit groups, today and for the future.
- We offer EASY SET-UP AND ADMINISTRATION. Establishing a fund can be done in less time than it takes to open a bank account.
- We assist individuals and families in BUILDING A LEGACY by helping them create a permanent fund, called an endowment, with their gifts.
- We offer MAXIMUM TAX ADVANTAGES under state and federal law.
- We offer DIVERSE FUND TYPES, providing donors a continuum of options for how involved they want to be in grant making.
- We offer GEOGRAPHIC FLEXIBILITY. The primary focus of the Greater Geary Community Foundation is Geary County. However, grants may go to charitable organizations within the U.S.
- Administrative fees on funds at 1% or less.

Types of Funds

OUR FLEXIBILITY allows you many fund options - it's your choice.

UNRESTRICTED FUNDS > *Think broadly.* Choose the Greater Geary Community Foundation to identify community needs and opportunities, and then distribute grants where they are most needed.

FIELD-OF-INTEREST FUND > *Address specific issues.* Decide the general purpose of your fund, such as the environment, arts, health or education. Then the Greater Geary Community Foundation will identify projects that serve your fund's purpose.

DESIGNATED FUND > *Provide ongoing support.* Specify particular charitable agencies or organizations to receive the income from your endowed (permanent) fund.

SCHOLARSHIP FUND > *Support student education.* Provide scholarships to students using guidelines you establish, such as high school or college attended, merit, need, or field of study.

DONOR ADVISED FUND > *Stay involved.* Allows donors to actively participate in the grant making process. Donors may recommend disbursements to specific charities at any time. Funds can either be endowed or have the principal expended.

How We Can Help You

Charitable giving should be a JOY, not a BURDEN. Your gift should be both easy and rewarding. We can:

- Accept a wide VARIETY of ASSETS, including ag related, and facilitate complex forms of giving, helping you meet both financial and charitable goals.
- Work with family members, if you wish, to develop an effective STRUCTURE and FRAMEWORK for family philanthropy.
- Partner with PROFESSIONAL ADVISORS to create individual, effective approaches to charitable giving. Your personal financial planner can continue to manage your funds.
- IDENTIFY nonprofit organizations that address issues important to you, and VERIFY their charitable status. We also provide grant making and documentation support.
- MANAGE all investment, grant making and administrative activities. We handle the paperwork.
- Issue REGULAR FINANCIAL REPORTS detailing your contributions, grants and fund balance.

Naming Your Fund . . .

Most funds are named for the donor or their family, or as a memorial to someone special. Or, you may choose a name that reflects your fund's charitable purpose, or one that ensures your privacy. Every grant from your fund will carry this name forward through time.

Everyone Can Be a Donor

Most of the Greater Geary Community Foundation's existing funds are open to individual contributions.
